

#LatinosTeach Campaign NOMINATION FORM

The quality of a student's teacher is the single most influential in-school factor in academic achievement and future life outcomes. With the increase in Hispanic* population, it is important to have a teaching workforce that reflects the student population in order to meet the demands of our increasingly diverse nation.

*Nearly 1 out of 4 public school students are Hispanic,
while Hispanic teachers represent only 7.8% of the teaching workforce.*

With the [#LatinosTeach online campaign](#), the White House Initiative on Educational Excellence for Hispanics (Initiative) features Hispanic teachers nationwide to demonstrate that while they are underrepresented, there are many Hispanics who are dedicating themselves to serving their community through teaching.

Thank you for nominating a Hispanic teacher to be recognized by the White House Initiative on Educational Excellence for Hispanics (Initiative). Please note that the information captured on this form may be shared within the federal government and made public.
